Editor's Foreword

As the school year, 1964-65 comes to a close, we want YOU to pause for a while and look back by means of this annual, back on its many and interesting happenings.

YOU, studying, thinking, learning, and discovering, soar BHS to academic heights.

YOU, coming, going, walking, running, speaking, and shouting, make BHS buzz with excitement.

YOU, joining, belonging, sharing, practicing, performing, presiding, turn goals into realities in BHS.

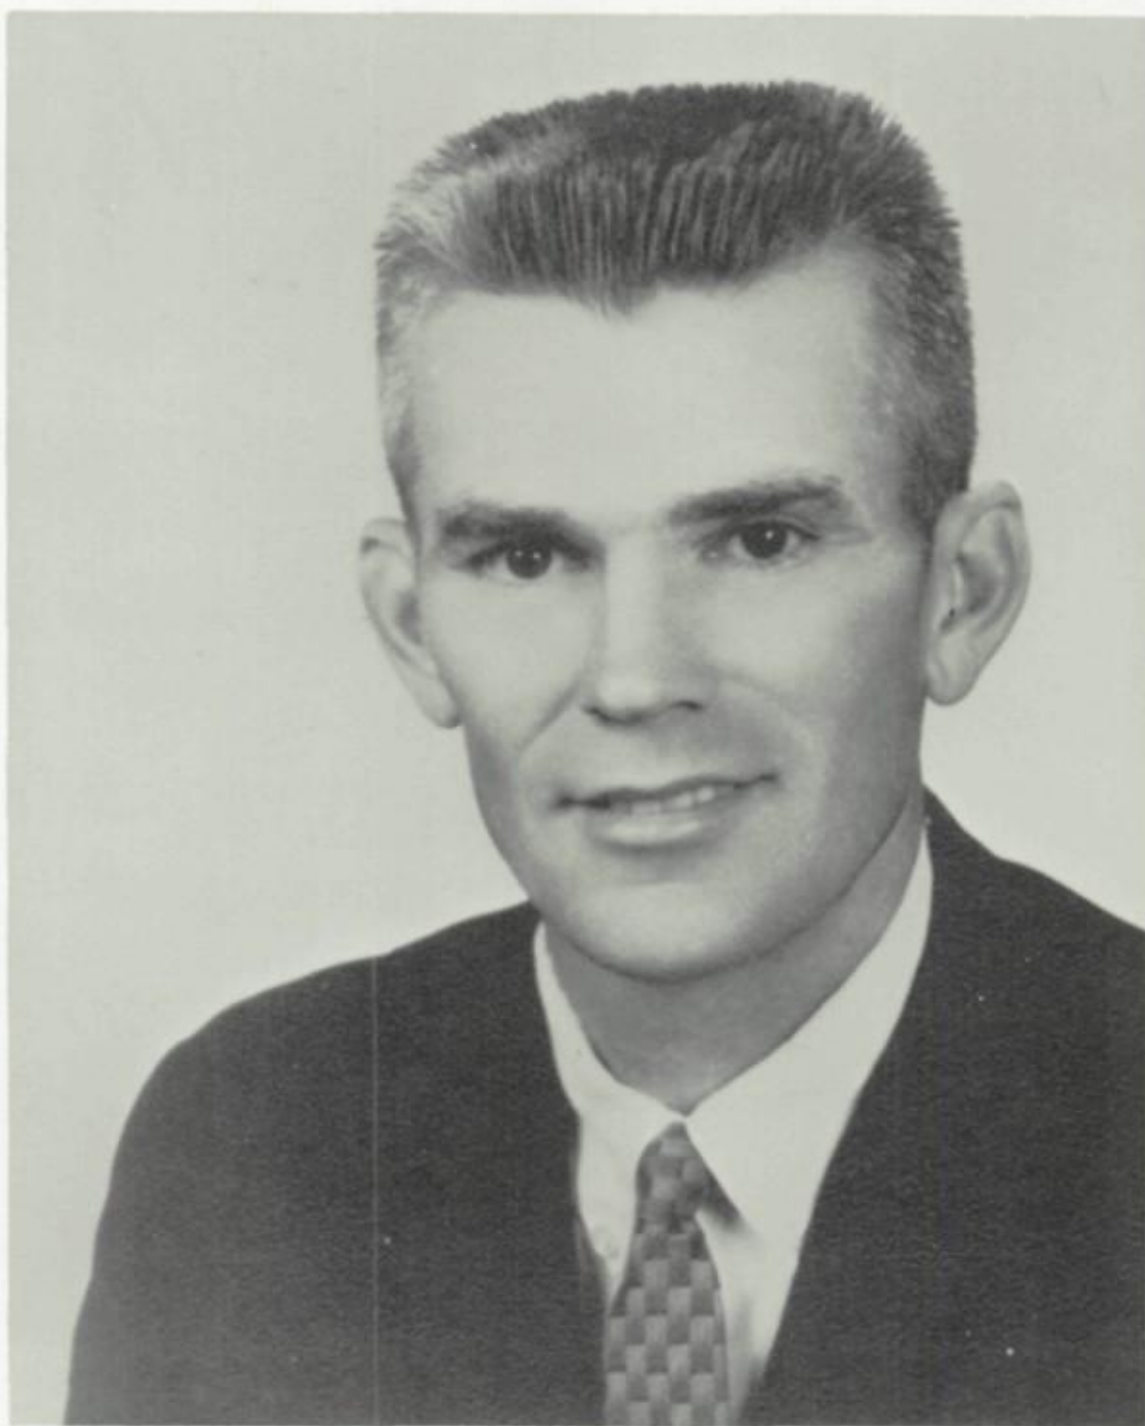

What is BHS? It is only a building, but YOU, you who do all of these things, make and keep this building alive.

As Editor, I have enjoyed working on the 1965 BULLDOG. I hope that going through these pages in later life YOU will renew and refreshen those high ideals and bright hopes of enthusiastic youth in service of God, Fellowman, and Country.

This has certainly been an eventful year, and here's your record of it. Like it? We hope so.

Ralph Lanham, Editor
Editor-in-chief

Dedication To-

Deciding a dedicatee for the 1965 BULLDOG was relatively easy this year, as there was one man who stood out from all the rest in devoted service to the Billings School and its students.

Mr. Kelley has been our athletic coach for three years, and he was one of our Junior and Senior sponsors.

We want to express our most sincere gratitude to him for his outstanding dedication to the Billings School and students by dedicating this BULLDOG to him. We want to say good-bye, but thanks, to our friend and builder of both structure and character, James T. Kelley.

The "annual crew" reports for work, work, work!

Alan Tipps
Assistant

Topping the agenda for The 1965 Bulldog Staff was work, work, and work. Their goal was to publish the best BULLDOG that ever has been or ever will be distributed in the Billings Schools.

Pages were drawn up, pictures taken, copy written, ads sold, editing and proofreading completed. All this and much more were the duties of the eight hard-working people who created this book for YOU.

Important to the proper functioning of BHS are the cafeteria workers, the custodians, and the bus drivers—three groups dedicated to serving.
